A Wise Tariff Policy. Pittsburg Post.

The coal supply of Germany is in the hands of a powerful capitalistic combi-nation that has also the protection of a ligh tariff on impuried coal. Prices of out are very high to swell the dividends of the German coal trust. As a result German manufacturers are suffering in o under or the manufacturing industries must have coal to keep their mills ning. With characteristic common bense and general equity the German government is preparing to lower the American coal especially to keep the German furnaces and factories at work. If there had been a McKinley at the ead of German affairs he would have put the cost duties and protected bilitating public utilities and relieving these republican governors has bestrated German coal trust at the expense of all

They Are All Alike Thieves.

Thou shalt rise from thy ashes, new And all thy waste places "shall bloom as the rose." -Ellen R. Croom.

Wharton, Texas, September 18. THE STORM UPON THE BAY.

A great dark cloud bent low and spake To the prattling, thoughtless bay, nd said: "I will marshal my strength and plow

A path for your waves to play. "You shall gallop far on the high white beach And climb to the very dome

Of the strangest shells you have ever seen, The shells that men call 'home.' "You shall tangle weeds in shimmering That flash like a winding eel,

And ripple and leap through the greaning Of mortar and wood and steel.

You shall sport with the arrogant lords of earth, So vain of their mind and might, And laugh while the wonderful artist Paints each with his ghestly white.

"You shall clasp your arms round the slender waists Of maidens young and fair, And tangle your hands in midnight curls And braids of golden bair,

You shall kiss the blush from blooming cheeks And lips like the velvet rose, I aden footed, but she gets there after. Till they grow as white as this stretch of When wrapt in winter's snows

> You shall press your lips to the pale. white lips
> Of the nuns as they kneel at prayer, And cry in vain to the far-off God, That will neither heed nor spare.

> "You shall grapple the brave, etrong sons of man In the strength of your awful wrath. And hurl them back from the things they As you follow in my path."

And the waves wet not, wot not, wat not. To play on the wondrous earth.

They crept through the door that stood leaped o'er the roofless wall And followed fast from the ocean's breast To dance at the storm king's call.

It grew so dark that they could not see, They laughed tall they could not hear, And the rain poured down till they could not feel The drip of the briny tear.

They did not mean-O, God, no! no!-They had no thought of harm; They only followed the terrible path Of the pittices, awful storm.

But the light broke forth from out the east And a voice said; "Peace; be s it not writ in my Holy Word, O waves, 'Thou shalt not kill?'

And then they trembled and shrank and To hide in the great, deep sea; But the havee they wrought falls hard Falls hard, O God, on me.

-Clifford McKinney Taylor. AFTER THE STORM. For The Post. feel like one, slow moving on,

Where naught but r-tips lie: m to tread on open graves 'Mid phantoms passing by

I fancy that I hear the groans From shostly forms that restless march In salemn misery gilde.

Oh, where are now those joyous hearts, So filled with happy life, Sweet childhood, youth, with manhood Crushed in the awful strife.

Oh, what is life! That one short hour Can cast such deep despair O'er fruitful labds, o'er prosperous homes,

Poor bereaved hearts, though sympathy From human hearts may flow, Of what avail! 'Tis God alone Some solace may bestow.

The hand that strikes, that surely guides. The tempest's fearful rage. That hand alone may bring relief Such misery to assuage. Oh, Pather, is it then Thy will

Through scenes, like these, of wos We should thus learn the vanity Of all things here below? Men build, rebuild, they toil, they strive For all wealfa may bestow;

How futile all their efforts seem

Slaughter, day, with skins thicker than the hide of court of the United States which the rhinocerss. The hog is carnivorous—it necessary for the Waters-Pierce Oil Another gentleman who wrote me as no is man. The hog is carnivorous, company to apply for a new permit to 40 he understood that Mr. Balley was paper to choice—so is man. The hog is herbivorous, business in this State. Fortunately, howgranivorous, grammivorous and purivorous business in this State. Fortunately, howby education—so is man.

These reflections are induced by the in—ask anybody to accept my statement that dignities offered a useful snimal. The hog was the cleanest of beasts until man hog was the cleanest of beasts until man because it bancens that a company has been set as the feature of the remission of interest might have been cleaned as a compensation; but its me ords of Dallas county show that the land deal had no relation to the oil fab.445.20 due the Texas Land and Management and the remission of interest might have been contained as a compensation; but its me ords of Dallas county show that the land deal had no relation to the oil fab. Sage company has been said and Management and the remission of interest might have been contained as a compensation; but its me ords of Dallas county show that the land deal had no relation to the oil fab. hog was the cleanest of beasts duti in filth, company, because it happens that a com-built a sty and imprisoned him in filth piete history of the land transaction is and ate him in fith. No animal, wild or contained in the official records of Cooke domestic, is so clean about its hed as the

cated ox or sheep? Yet we have had one cated ox or sheep? Yet we have had one cated ox or sheep? Yet we have had one cated ox or sheep? Yet we have had one cash to me there might have been some our stage educated hogs that could spent cash to me there might have been some and play cards, count and tell the time room for suspicious people to charge that he card. The men who know he gubble officials. The men who know has the public officials. The men who know has the public officials. The men who know has the public officials. The men who know has the cash but more than three-fourths of the cash house.

In the house, the land, and the balance of it that Mr. Francis is a slock holder in the cate of the land, and the balance of it. The American her Texas Land and Mortgage company which to Hon. W. A. Shaw more than six see tween Germany and amounted on the day that the transaction ago. The statement that Mr. Frank Whitelaw Reld obtained for the animal was closed to \$49,446.20, and on the other Moses and Mchammed were epposed to there was vendor's lien notes payable to the bog because while it divides the hoof and is cloven footed, yet it chews not the C. C. Slaughter which aggregated \$12,-cut. The camel is not eaten for opposite 020.78, making a total indebtedness on the it chews the cud, but is not tand of \$61,466.98, which, subtracted from chews the cud it divides the \$80,000 to be paid, left a balance due wi his absence.

Every one of these facts and payments,

I have taken some part in the police
except the amount which I received from of this State, and I have seen some and the rent wheat, and a part of the public records of this State, and it would seem that democrats who value the character that democrats who value the character man in Texas. Respec of a public man would have made some

land, and the only way for him eng
